DC37/DC30/DC36 |

shade indicates new sanctions

****NEW**** Under 21/Above 21" no longer applies to determine sanctions for DI5/DI1 with a BAC .08 to .799

****NEW**** Conviction for a refusal to submit to a chemical test. The sanction is the same as a DI5/DI1 with BAC .08 to .799.

The sanction **IS NOT** the same as an **ADMINISTRATIVE** Chemical Test Refusal

****NEW**** If the sanction is for an administrative CT Refusal or a conviction CT Refusal, the driver **MUST wait 90 days** before applying for a restricted IID.

****NEW**** Set of limited IID restrictions, pursuant to KSA 8-292. **This only applies to a FIRST A90, A10 or a FIRST DI3.**

Use the current limited IID restrictions on all other occurrences.

****NEW**** When retro modifying a sanction, **any suspension time served in excess of the one year suspension**, will be credited towards the IID restriction ****IF****

(1) the person's driving record indicates no driving by the person during the application suspension or revocation period

(2) the person completes a form indicating that the person did not drive during the applicable suspension or revocation period
