[Log In - CPS Tech/Tech to Be](#)

In general, we've found that using using [Google's Chrome](#) instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

- [Make a CPS online profile \(if you've never been CPS-certified\)](#)
- [Register for a course \(Certification or Renewal\)](#)

Review Course Details and Request Approval

Max Seats	10
Remaining Seats	7
Wait List	Yes
Additional Local Fee	\$10.00

NOTE: Any local fees must be paid directly to the local agency. Contact the course lead instructor for information on how to pay local fees. SAFE KIDS does not accept local fees.

Note any locally paid additional fees.

Course Description: You must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course.
