

In following the tradition of educational excellence for Kansas schools, Kansas Traffic Safety Resource Office is pleased to inform you that the Safety Breaks! Program meets the following Kansas Health Education Standards for grades 5-8.

Standard 1:

Benchmark 3 with a proficient indicator

Benchmark 5 (2) with an advanced indicator

Standard 3:

Benchmark 3 with an advanced indicator

Standard 4:

Benchmark 2 with a partially proficient indicator

Standard 7:

Benchmark 2 with an advanced indicator

Safety Breaks! is a great opportunity to provide safety education to Kansas students while following state education standards. To learn more about the program, which focuses on occupant protection, driving dangers, in and around car safety, rules of the road and alcohol prevention, please contact Kathryn Brown at the Kansas Traffic Safety Resource Office at 800-416-2522 or [Kathryn.brown@dcca.org](mailto:Kathryn.brown@dcca.org).
