AAA Kansas Traffic Safety Advocate Scholarship In Honor of Terry Keller

The AAA Kansas Traffic Safety Fund is providing a one-time award of two (2) \$1,000 scholarships, one each to two deserving Class of 2020 Kansas high school seniors who have successfully and impactfully influenced traffic/roadway/driver safety in the state through their involvement in their school's Seatbelts are For Everyone (SAFE) program and other unique and stand-out efforts. The scholarship awards are being made in honor of long-time Fund trustee, Mr. Terry Keller, for his legacy in promoting and advocating for safe roadways in Kansas.

Applications are due by 5:00 p.m. Central time on Friday, October 11, 2019 and must be emailed to Shawn Steward of AAA Kansas at [ssteward@aaa-alliedgroup.com](mailto:sseward@aaa-alliedgroup.com). Late entries will not be considered.

The scholarships will be presented at the Kansas Teen Transportation Safety Conference, Nov. 6-7 in Topeka. The two winners will be notified in advance and hopefully can attend the scholarship presentation in person, at a specific time to be communicated.
