

Holiday Survival Tip: Drive Safe!

It's the most wonderful time of the year, but winter and the holiday season bring extra concerns for drivers.

Take some time to review these winter driving safety tips, pass them along to new drivers, and remind others to stay safe on the roads.

- Always wear your seatbelt and make sure kids remove heavy coats before buckling in.
- Have an emergency kit in case of breakdowns in cold and/or remote areas.
- Scrape ice and snow from all windows, lights, and license plates.
- Don't follow a snowplow too closely and pass it only when there is plenty of room.
- Follow the speed limit. Slow down and turn off your cruise control when roads are wet or icy.

Drive Merry and Bright!

The #DriveSober or Get Pulled Over enforcement campaign runs through the holiday season, 12/18–1/1.

Don't be part of the problem.

Always drive sober.

Are They in the Right Seat?

In the event of a crash, even buckled up, a child is more likely to be injured or killed if they are sitting in the front seat.

Whether they are in a car seat, booster seat, or using a seat belt, the only place where your children under 13 belong is in the back seat

2020 Kansas Traffic Deaths

406

↑ 3.0%

Compared to 1/1/19 - 12/16/19
Preliminary data as of Dec. 21, 2020

We are saddened to know there are more than 400 people who won't be home for Christmas this year.

Practice self-care this holiday season.
If you're having a cup of cheer, have a sober driver.
Slow down, buckle up, and drive safe.
