WALK AND TURN TEST:
Put your left foot on the line. Now put your right foot in front of it, with your heel touching your left toe. Put your arms down at your sides. **DEMONSTRATE.** Do not begin walking until I tell you to. **DO YOU UNDERSTAND?** When I say “Begin” take nine heel to toe steps down the line, turn around, and take nine heel to toe steps back up the line. Make your turn while keeping your front foot on the line, and then use your other foot to turn yourself around with several small steps. **DEMONSTRATE.** Keep your arms at your sides at all times. Watch your feet at all times, and count your steps out loud. Once you begin, do not stop until you have completed the test. **DO YOU UNDERSTAND? BEGIN WALKING.**

ONE LEG STAND TEST:
Please stand with your heels and toes together and your arms at your sides. **DEMONSTRATE.** Do not do anything else until I tell you to. **DO YOU UNDERSTAND?** When I tell you to, raise either foot six inches off the ground with your foot parallel to the ground. Keep your eyes on your raised foot, keep your arms at your side and keep both legs straight. While holding this position, I want you to count out loud in the following manner; 1001, 1002, 1003, and so on until told to stop. **DEMONSTRATE.**

**DO YOU UNDERSTAND? BEGIN**
(Be sure to time the test for 30 seconds)
HORIZONTAL GAZE NYSTAGMUS:

Have subject remove eyeglasses.
I am going to check your eyes.
Please look at this ________(stimulus).
Keep your head still and follow the ________(stimulus) with your eyes only.

DO YOU UNDERSTAND?

First do a Medical Rule Out (equal pupil size and equal tracking, look for Resting Nystagmus).

Check for 3 clues:

(1) Lack of smooth pursuit
(2) Distinct & sustained Nystagmus @ maximum deviation
(3) Onset of Nystagmus prior to 45 degrees

Check for Vertical Gaze Nystagmus

P.B.T.

PBT should be given upon completion of the SFST battery.

Follow the manufacturer’s guidelines on alcohol deprivation and proper operation and use.

Inform subject:

(1) You have no right to consult an attorney regarding testing.
(2) The refusal of the preliminary breath test is a traffic infraction.
(3) After the preliminary breath test, you may be asked to complete additional testing.
