Wearing a seat belt is the single most effective way of surviving a crash, reducing the risk of serious injury or death by about 50%.

Yet many Kansas citizens are still not buckling up.

**KS**
- Johnson Co. 94.3%
- Leavenworth Co. 90.3%
- Wyandotte Co. 92.5%

**MO**
- Clay Co. 78.0%
- Jackson Co. 87.4%
